Monthly News

We will begin March with celebrating Dr. Seuss's birthday and Read Across America. Then, we will continue our focus on reading throughout March is Reading Month. In mid March we will have a green festival for St. Patrick's Day and include Dr. Seuss's green Oobleck fun! We will even celebrate the first day of Spring!

Our Bible stories will be about David's life and his trust in the Lord to provide all of his needs. We will learn about David's anointing, his battle with Goliath and becoming a king.

During the month of March we will be continuing our alphabet and number studies. Please continue to have your child cut out a picture for the letter of the week. Cutting is a skill that needs to be practiced regularly. The children will begin memorizing their addresses. We will also continue to work on writing first names and begin recognizing last names. The children are learning to write their name starting with a capital letter and following with lower case letters.

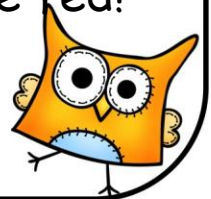

Monthly Bible Verses

The Lord is
my shepherd, I shall
not want. Psalm 23:1

Monthly Prayer

(to the tune of Superman theme)

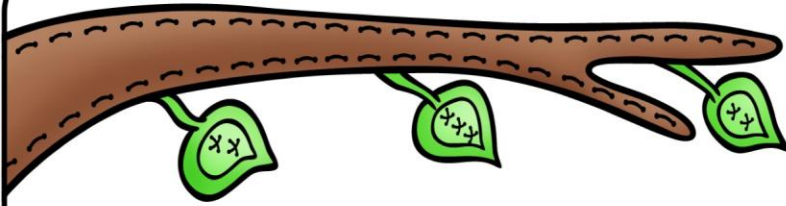

Thank you Lord
for giving us food!
Thank you Lord
for giving us food!
For our daily bread,
'cause we need to be fed!
Thank you Lord for
giving us food!

March is Reading Month!

March is Reading Month kicks off with a celebration of Dr. Seuss's birthday and an appreciation for Dr. Seuss books. Then, we celebrate reading in March by reading, of course! The class will be challenged to read a total of 100 books in the month of March. When we reach 100, we will celebrate with an ice cream party! When an adult or older sibling reads to your child at home, please write the title of the book and your child's name on the paper books provided. We will share them at circle time and count them every day. Please take more paper books from the hallway as needed. I am excited to see how many books we can read in March!

Please feel free to contact me by email at jhover1@msn.com, or by calling the preschool at 610-395-3613.

Addresses

The children will be working on learning their addresses in March and April. If you have moved in the last year, please make sure I have the correct address on file for you. Please practice your address with your child at home. Each child will probably need daily practice to fully memorize their address.

Celebrations and Donations

PLEASE HELP! Our fours love to celebrate when we learn! We have several activities and festivities in March. Please consider looking at the sign ups in the hallway to help with donations. Most sign ups have less spots than we have students in the classroom so parents can take turns and not feel pressured to always donate something.

However, each student does need to bring in a pack of 12 plastic eggs by March 27th. Thank you!

Scholastic Book Orders

Books make great gifts, and I can keep a secret too! Each online order helps build our classroom library! Visit scholastic.com/readingclub for great book deals and use our Class Activation Code PCKJ8. This month's book order will be due on Monday, March 9th.
