Reminders

Follow the guidelines for Parking Lot Safety – follow the arrows when driving in the parking lot and keep speed down to 10-15 mph.

We do not go through backpacks, so if there is anything that you want to give to us or for your child to have, please hand it to us or place in the Sippy cup bin. We only go into a backpack if your child needs changing. Thank you.

Check your child's cubby each day for crafts, coloring sheets or important papers.

Please follow the preschool's guidelines when your child is sick and when to return after an illness.
