

Fantastic Fives February Newsletter

Dear Parents,

Our theme for the month of February is Love. We will celebrate **Valentine's Day** on February 14th, and each child may bring valentines to share with the class if they choose. Though it is not necessary to put names on the cards, the names of their classmates are:

Adam
Aiden
Ashley

Daria
Ella
Ellie

Mason
Medaux
Michael

Ronette

We will be celebrating Valentine's Day with an ice cream sundae-making party!

Look for the sign-up sheet posted outside the class for donations. Thank you!

In February, we will be learning a lot about the topic Love, and especially how God wants each of us to love Him, and to love each other. Our Bible verse for this month is a long one, Mark 12:30, 31, but it will reinforce the fact that loving God and each other is the **MOST** important commandment God wants us to follow. We will be learning more about how Jesus chose His disciples, how Jesus loved being surrounded by little children, how Jesus healed the lepers, and the story of Zacchaeus.

Our letter and number studies will continue with the letters P, Q, R,, and S, and the numbers 10-14. We will also be reviewing phone numbers and addresses with the children. If you could practice these at home, that would be great!

A reminder that conferences will take place on **Friday, March 1st**. Your children do **NOT** have **SCHOOL** on that day. The sign-up sheet for conferences will be posted very soon, and you may check that to remind yourselves of your time slot. The conference will let you know how things are going in class, and is a chance for parents and teachers to get together before Kindergarten registration.

One new date to mark on your calendars is **March 15**. We hope that all **Moms** will be able to join us for Preschool on that date. We are looking forward to a fun morning!

Our Star of the Week program has begun, and the children really enjoy having their special things to share, being featured for a week, and seeing their things up on the Bulletin Board. Stop in the classroom and see who our Star is for this week.

In Christ's love,

Leslie Bishop

Marlene Brown
