

Bethany Preschool's Fabulous Fours Newsletter

February 2019

Dear Parents,

This month, like the previous months, will be filled with fun and learning. We will start the month learning the story of The Good Samaritan, along with the [verse Luke 10:27](#) *"Love the Lord your God with all your heart, with all your soul, with all your strength and with all your mind; and love your neighbor as you love yourself."* This scripture will help to teach our children love and compassion. We will also be sharing valentines with our classmates for [Valentine's Day](#). [We will celebrate on the 14th](#) of the month. If you would like to volunteer a treat for our special day, that would be appreciated. The sign-up sheet will be at our door.

The class will continue to work on learning phone numbers with the addition of learning home addresses. Please review these at home with your child. They are very proud when they have memorized these important facts about themselves. Upon learning their phone number, each child will have the opportunity to phone home. We will set up a mutually convenient time at that point . . . stand by!!

This month is also Dental Health Month. We will learn about the importance of keeping our teeth healthy and clean. **A Dentist will be visiting our preschool on: Friday, February 8th**. I have talked with a bunch of our parents and found that it is a "go" on having a preschool day on Friday. It will be a whole day, **9:00 – 11:30**. With the inclement weather that we have been having this will be a "make-up" day, should we need it ☺.

Conferences will be held on Tuesday, February 27th throughout the morning. Please sign up for a convenient time to meet. There will be NO classes for the children this day. If this day does not work with your schedule, please let me know, we will be able to set up another time. If also, it is easier for a phone conference, we can set that up.

Please continue to refer to our classroom calendar. We will continue with our alphabet study, bringing in the "letter" at the beginning of the week. If you forget your pictures what week, please bring them in at the beginning of the following week. Show and Tell will continue on Thursdays. The children are really doing well, growing in their confidence with speaking in front of their peers. Please try and challenge your child by finding something that corresponds with the "letter of-the-week" for Show and Tell that week. This added task will further emphasize the letter and its sound.

Just some reminders: our doors open at 8:55 am. Please try and be prompt with drop off as well as with pick up. We do not have preschool on President's Day, Monday, February 18th.

Stay Blessed,

Gina Galiardo and Jaime DiPietro
