## March is Reading Month

March is reading month. We will kickoff with a celebration of Dr. Seuss's birthday and an appreciation for Dr. Seuss books. The class will be challenged to read a total of 100 books in the month of March. When we reach 100, we will celebrate with an ice cream party. We ask that an adult or an older sibling reads to your child at home, please write down the title of the book and your child's name on the paper books provided. We will share them at circle time and count them every day we are present at school. Please take more paper books from the hallway as needed. I am excited to see how many books we can read in March.
